## SILENTCHAT INSTRUCTIONS v1.20210115

13	Start using:	 <p>The screenshot shows a mobile chat application interface. At the top, the time is 10:08. Below the time is a blue header bar with a back arrow, a profile icon, and the name 'RR&amp;SS'. In the top right corner of the header bar, there are two icons: a telephone handset and a video camera. These two icons are circled in yellow. Below the header bar, there is a 'Today' separator. The chat history shows two messages: 'You created the conversation' and 'You added @rreck', both timestamped at 10:08. At the bottom of the screen, there is a text input field with the placeholder text 'Write message, @ to ment...' and a send button.</p>	

Click on the phone icon to start a call; or the video icon to start a video; type in the bottom chat box to chat. **IMPORTANT NOTE:** Make sure that all users have installed the app and logged in; that your phone settings are set to use wifi or cellular data for this app; and that the microphone and camera are turned on. Also, make sure that your notifications are enabled or turned on in your phone settings; to receive calls and notifications for texts.
